# TEKCHECK™

Great news! The TekCheck is available in new colorways — as well as in a Long Sleeve and a Ladies' version. This versatile shirt puts added flex in your days, as it is made using MicroFiber with Mechanical Stretch to give you freer range of motion at work or at play. Though we've updated the colors and expanded the style selection, one thing you can count on is these shirts offering the same great styling as our top-selling MicroFibers — vertical venting with mesh lining at chest and back, UPF 30+ protection and a printed inner label.

# COOLER BAGS

Our Cooler Bags are known for leaving others in the cold — and this style takes it a step further. The exterior of this bag is constructed using a new fabrication designed to be waterproof and includes the addition of a waterproof zipper. Engineered using premium high-density foam, our 32-quart bag easily fits 48 canned beverages — or 36 cans plus two 10 lb. bags of ice — and provides excellent ice retention. This bag still incorporates all of the great design features found in our traditional cooler bags, including a shoulder strap with quick-release clips and front pocket for dry goods. The smooth, easy-to-clean surface repels water, is incredibly durable and still collapses for easy storage.
